We, Randall E. Tagawa, Kenneth K. Tagawa, George H. Tagawa, William A. Kluth, Sarada Krishnan and Cindy Wieland each hereby declare:

We are the original, first, and joint inventors of the subject matter which is claimed, described and for which a patent is sought on the invention now entitled "Cellular Tissue Culture Systems for High-Volume Processing" the specification of which has been provided to us at or prior to the time of signing this declaration. We have reviewed and understand the contents of this specification as above entitled, including any claims.

We hereby claim the benefit under Title 35, United States Code §119 of US Provisional Application 60/548,847, filed February 27, 2004 and US Provisional Application 60/559,981, filed April 5, 2004; there are no foreign applications having a filing date before that of the application(s) on which priority is claimed.

We hereby declare that the specification and disclosure herein submitted are intended to include disclosure or claims directed to, individually or in combination: embodiments of the invention which may encompass a device, apparatus, method, process, or business method; embodiments of the invention which may encompass permutations or combinations of any aspects of the invention; any aspect of the invention conceived or developed as separate inventions; and any aspect of the invention independent of any initial context considered as preferred embodiments. We also authorize and support this application for patent protection in the United States, and for similar protection in foreign countries, each to be sought to the extent or breadth any owner desires or deems appropriate. We acknowledge that each of the attorneys and the firm filing this application is/are attorneys for the assignee, Tagawa Greenhouses, Inc., only.

We acknowledge the duty to disclose information that is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, Section 1.56(a).

We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

We hereby grant the firm of Santangelo Law Offices, P.C., the power to insert on this Declaration or any other document any further identification which may be necessary or
